AMENDMENT AND RESPONSE UNDER 37 CFR §§ 1.111 AND 1.115

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Sir:

In an Office Action dated May 9, 2003, the Patent Office rejected claims 1-8 and 12 under 35 U.S.C. 251 for a defective supplemental reissue application declaration and required that either the original patent or a statement as to loss or inaccessibility of the original patent be transmitted to the Patent Office. This amendment is timely filed before the deadline for response of August 9, 2003. No fees are believed to be due; however, should any fees be deemed necessary in connection with the filing of this document, the Commissioner is authorized to deduct any such fees from Marshall, Gerstein, and Borun Deposit Account No. 13-2855. In light of the statements presented below, the applicants respectfully request withdrawal of the rejections and allowance of this reissue application.

Remarks/Arguments begin on page 2 of this paper.
